Subject: Cable ties conformity to European Directives

Dear Sirs,

following your request we can confirm that raw materials used to manufacture our Polyamide 6.6 Cable ties (either black and white) are compliant to the following European Directive:

2000/53/EC (ELV)
2002/95/EC (RoHS)
2002/96/EC (WEEE)
2003/11/EC

For compliance to further regulation, please refer to our Quality Service. In case of local regulations, provide an abstract or complete text.

Best Regards

Chiara Cascone
